

Clarification on Sanctioned Posts

Aurora's PG College is affiliated to Osmania University and approved by AICTE, New Delhi. This is a private Self Financing Institution. Hence there will be no sanctioned posts either by the Government or affiliating university.

However, AICTE from time to time gives the faculty student ratio (FSR) that is to be maintained for approval of the institution. Based on the FSR the teaching posts will be sanctioned by the management and recruitment is undertaken to maintain the ratio. Generally the total number of faculty recruited to students in any academic year is maintained to be less than 1:15 only.

The affiliating university also gives direction to follow the AICTE FSR only. Hence we comply with that.
